Application and Discussion Questions:

- What truth about Christ’s ultimate sacrifice and example stood out to you most and why?
- Which right that Jesus chose to relinquish stood out most to you and why?
- Why is it significant that Jesus chose to relinquish his right to authority?
- Why is it hard to relinquish our desire to be respected and honored?
- What makes surrounding our “right” to our home so hard?
- Why do we like to cling to our sense of beauty and appearance? How do we lay it down for Him?
- Why do we sometimes think that we should be protected from all temptation? Why does God allow us to face temptation?
- Why do we not have the right to demand respectful treatment from those we minister to? How ought we respond when we are treated less respectfully than we think we deserve or desire?
- How should we respond when we are reviled and attacked?
- Why do we struggle so hard to surrender our “right” to defend ourselves, to justify our actions, to exonerate our name?
- Why do we NOT have the right to demand fair and just treatment from others?
- How do we train ourselves to respond humbly in the face of unfair and unjust treatment?
